

# Letter to Your Future Self

Module 7 | Write this today. Open it in one year. You'll be amazed.

---

**DATE WRITTEN:**

**DATE TO OPEN:**

**Dear Future Me,**

I just finished building my first real project with AI. Here's what I want you to remember:

**WHAT I BUILT and what it meant to me:**

**THE HARDEST MOMENT and how I pushed through:**

**THE MOST SURPRISING THING I LEARNED:**

**WHAT KIND OF BUILDER I WANT TO BECOME:**

**MY ADVICE TO FUTURE ME when starting the next project:**

**ANYTHING ELSE I want to remember about this moment:**

**From,**

(your name, today's date)

---

Seal this letter. Set a calendar reminder to open it in one year. When you do, you'll see how much you've grown — and how much this experience shaped what came next.
